

GET INVOLVED

At the heart of Conejo Players Theatre are its volunteer members. Our theatre is unique in the Conejo Valley since it operates on a solely volunteer basis. But the rewards of volunteering with our theatre are great in many other ways! We provide a medium for creative self-expression with numerous opportunities to get involved both on stage and behind the scenes — acting, directing, producing, stage managing, scenic design and construction, theatrical lighting and sound, costuming, and the list goes on.

We are proud of the dedication of our volunteers, and the services they provide are invaluable to our success. It is our volunteers — both adults and children — that have allowed Conejo Players to thrive since its humble beginning in 1957. In return, our volunteers gain valuable creative experiences while enjoying the fun and friendships that come along with working in the ever-changing (and sometimes crazy) atmosphere of the theatre. We invite you to join us in our efforts to support the cultural, educational, and entertainment needs of the community through the arts.

BECOME A MEMBER

Membership in The Conejo Players is easy! To become a member, just fill out the form on the reverse and return it with your one-time \$1.00 registration fee to the Box Office, any Board member, a member of your production staff, or by mail to the address listed.

This entitles you to associate membership status. Once you have participated in at least one volunteer activity, you become a full voting member! There are no annual dues and members retain their voting rights until such time as a two-year period has elapsed without the member participating in a volunteer activity.

Members also receive a copy of The Conejo Players "Harlequin Newsletter," and a subscription to our email newsletter. In these, you will find upcoming auditions and insight into the current activities at the theatre.

The Conejo Players rewards contributions made by members and nonmembers.

At each year's Harlequin Awards Banquet, everyone gets a chance to applaud the people who toiled in the wings, in the tech booth, building sets, selling tickets, acting, and doing all the other tasks that come together in the performances seen by our audiences.
