

Hailey and Piper Sides

HAILEY

thanks again for inviting me to this thing!

PIPER

Rachel and Lexi are pumped to meet you

HAILEY

really?? awesome!

hey

it's not gonna be like

PIPER

what?

HAILEY

like weird or anything? right?

cuz they were both

I mean all three of us made it to second round for Lady Mac?

PIPER

well, this is their fourth year going through this

and they're like very professional

they're not gonna hold it against you

HAILEY

I've been dying to get to know Rachel

I mean seriously, her Lady Mac callback

oh my *god*

PIPER

yeah

she's like unbelievably talented

HAILEY

Jess didn't get a Lady Mac callback

so I was telling her about that thing Rachel did with

like during "such I account thy love"

PIPER

this is gonna sound cheesy

but she's honestly such an inspiration to me

HAILEY

no totally

hey

do you think it'd be cool if I invited Jess too?

Cam enters, approaching them.

PIPER

I don't know

we can ask!

HAILEY

awesome

END

CAM

PIPER

Piper hugs Cam—subdued, solemn, an embrace of comfort rather than celebration.

how're you doing?

CAM

PIPER

PIPER

CAM
