

# Welcome to CONEJO PLAYERS THEATRE

I am thrilled to welcome you to the 67th season of the Conejo Players Theatre! As the only 100% volunteer-run community theater in Southern California, you have joined us in a truly special place. Our mission — “to share in providing the community with a year-round schedule of affordable live theatre produced to serve the cultural, educational, and entertainment needs of the community” — is deeply important to the wonderful people who give their time here.

As a lifelong theater lover, I have often felt the excitement of the shared live experience between performers and an audience. I have witnessed the power of great storytelling to touch, inform, (and even change) lives. Whether you are here to laugh, cry, or think (often all in one evening), we hope that this performance entertains as well as enlightens.

The theater is an amazing center of collaboration. Each production relies on directors, producers, performers, choreographers, designers, builders, crew members, ushers, and countless others. Working together creates a family of sorts. **We welcome anyone who would like to join our family of volunteers** - a truly generous and talented bunch. Try something new—we are happy to train! And as we are a non-profit organization, tax deductible donations are gratefully appreciated too. Feel free to contact me for more information and opportunities.

Thank you for joining us tonight, and enjoy the show!

# From THE CO-DIRECTORS

Tonight, Conejo Players Theatre takes you on a journey into another dimension: a dimension of sound; a dimension of sight; a dimension of... entertainment! Using the history of American television as our blueprint, we'll roam through the decades—from the 1950s to present day—as a cast of Conejo Valley, Central Valley, and L.A. favorites presents a program of rare and fan-favorite musical theatre songs.

*Time in Tune: A CPT Special Presentation* was conceived and directed by Erin Fagundes and Courtney Potter... who, collectively, have either performed in, produced, or directed a metric craption of shows around the Conejo Valley (and beyond) over the last 20+ years—both separately and together. Among their favorite shared theatrical memories are embodying SNL's Sweeney Sisters, complete with custom lounge medley (they're available for your next event); watching a railing fall from the Kavli Theatre fly space during a performance of *The Music Man* (in front of 1,700 children!); and nama-stepping-in-time in *Mary Poppins*.

They'd like to thank everyone who worked both on and offstage to bring this labor of love to life!

- **Erin Fagundes** and **Courtney Potter**, Co-Directors

## Volunteering at Conejo Players Theatre

At the heart of Conejo Players Theatre is its volunteer members. Our theatre is unique in the Conejo Valley, as it's operated on a solely volunteer basis since its inception in 1958; the theatre's board members, actors, production staff, and technical crew do not receive any monetary compensation for their services. But the rewards of volunteering with our theatre are many -- we provide a medium for creative self-expression, with opportunities to get involved both onstage and behind-the-scenes ... acting, directing, producing, stage managing, scenic design and construction, theatrical lighting and sound, costuming, and the list goes on.

We're proud of the dedication of our volunteers, and the services they provide are invaluable to our success. It's our volunteers -- both adults and children -- that have allowed Conejo Players to thrive since its humble beginnings. In return, our volunteers gain invaluable creative experiences while enjoying the fun and friendships that come with working in the ever-evolving atmosphere of live theatre. We invite you to join us in our efforts to support the cultural, educational, and entertainment needs of the community through the arts!

These are some of the volunteer opportunities available:

**Usher/Ticket Taker/Snack Bar • Costumes • Props • Set Builders  
Sound Board Operator • Light Board Operator • Outreach Committee**  
Email us at [info@conejoplayers.org](mailto:info@conejoplayers.org) for these and other volunteer options.

## "Why should I spend \$1 to become a Conejo Players Theatre Member?"

### There are 4 reasons that we share:

1. By becoming a member, you are part of our CPT family for life. You are on our rosters and members can follow up with you to let you know what is going on at CPT.
2. When you fill out the form, you can opt in to receive our weekly newsletters and let us know what you are interested in doing, whether it be on stage or off stage. We can share with the Directors and Producers, Front of House Coordinators, Stage Crew team etc. what you are interested in doing.
3. By becoming a member and an active member, it gives you the opportunity to be a part of the direction of the theatre. You have a vote to make a difference on the direction the board takes. You can become a part of the board. You have decided you care about the theatre and want to make your voice heard.
4. You will receive invitations to exclusive Member Only Events!

We hope you do choose to become a member and join our family. We will work to find the best opportunities that match your interests!

She has spent the rest of the year recovering from Anya's long trek to Paris while watching her friends dazzle the stage in shows like *Descendants* and *A Chorus Line*. While the new year will bring its own exciting adventures, Maya is happy to be ending 2025 alongside the Conejo community that made this year one she'll treasure forever.

**Janelle Steller** is overjoyed to return to the CPT stage, her creative home, since moving to the Central Coast in 2021. An actor and director, she has been grateful to "tread the boards" in many productions, including *Pippin* (Catherine), *Reefer Madness* (Mae), *The Marvelous Wonderettes* (Missy), and others that have shaped her journey as an artist. This year brought her the role of a lifetime: welcoming her son, Elliott, into the world.
